

Call for Proposals **INTERNATIONAL INVITED GUEST SPEAKERS**

The RTICC invites its members to nominate outstanding international researchers as guest speakers in March-December 2026.

Eligible guests are internationally renowned researchers at the level of Associate Professor or Full Professor, recognized experts in their fields, with a strong connection to cancer research.

Terms and Conditions

- » The host's contribution will be \$200.
- » The host is responsible, in collaboration with the RTICC, for the academic organization of the visit, including scheduling the seminar at their faculty.
- » Each RTICC member may submit only one candidate.
- » The RTICC will cover transportation (economy-class flights and taxis) and accommodation (three nights at a hotel in Haifa).
